

Request for Supervisory Committee
Complete and submit to the Academic Coordinator.

Name:	UNID:
Email:	Date:
Program: MS PhD	

Supervisory Committee Guidelines:

MS: Supervisory Committee must consist of three faculty members, the majority of whom must be regular faculty in the Department of Geology & Geophysics. If faculty members outside of the University of Utah serve as members of the committee, the outside members' CV must be submitted to the Graduate School and this form to the Academic Coordinator.

PhD: Supervisory Committee must consist of five faculty members, the majority of whom must be regular faculty in the Department of Geology & Geophysics. One member of the committee must be from another department; this person may be from another unit within the University of Utah or from outside the University of Utah. If faculty members outside of the University of Utah serve as members of the committee, the outside members' CV must be submitted to the Graduate School and this form to the Academic Coordinator.

Please type the names and have the members initial or sign next to their name.
